

Trainer Profile

Nadine Yu

IT & Technical Trainer

Nationality: Chinese

Languages: English and Mandarin

Nadine Yu is a bilingual IT and technical trainer, based in Shanghai, China. She is fluent in English and Mandarin, and has beginner level French. She is a visiting professor at the prestigious China European International Business School (CEIBS), which is ranked 11th globally, as well as a Visiting Professor for Cheung Kong Graduate School of Business (CKGSB), which is ranked 5th in China. At both schools Nadine teaches statistical functions.

Nadine has an extremely strong IT and technical background, and can train both in English and Mandarin. She trains clients on a full range of popular software from Microsoft, databases, scripting languages, and client proprietary software.

Nadine has over 16 years of IT and technical training experience across China. She is a Certified Microsoft Office Specialist and completed the Chinese New Horizons Internet Professional Program (NHIPP). She studied at SIAS International University, China's first solely American-owned university in Central China.
