

Trainer Profile

Ping Zhou

Nationality: Chinese

Languages: Mandarin

Ping Zhou is a professional trainer specialising in Project Management, Leadership and general management skills.

After graduating from the Department of International Economics of Fudan University, Ms. Zhou started her career as an auditor in KPMG Audit Firm, and then focused on corporate consulting and project management. In 2001, she obtained her MBA from l'Ecole de Commerce de Grenoble, in France.

With Over 10 years of international working experience in Europe and Asia, Ms. Zhou has acquired deep business understanding through working as a Senior Business Consultant and Project Manager at Fortune 500 companies including Volvo, Johnson Controls and HP.

Thanks to her rich international business/management experience, Ms. Zhou is an expert at helping clients discover their real challenges and issues, and accordingly, customising her workshop to be practical and effective. Ms. Zhou is a certified DISC and IPMA trainer as well as an NLP Practitioner.
